

## Bidder Registration Agreement

This Bidder Registration Agreement (“Agreement”) is entered into by Bidder (as described in the attached Bidder Registration Form) in connection with the 2020 Request for Proposals for Solar Photovoltaic Resources for Entergy Louisiana, LLC (the “RFP”). Initially capitalized used but not defined in this Agreement have the meanings ascribed to such terms in the RFP.

Bidder acknowledges that, once this Agreement is executed and delivered to Entergy Louisiana, LLC (“ELL”) by Bidder, ELL is entitled to rely on the terms set forth herein, including, without limitation, information provided by Bidder in the attached Bidder Registration Form, and Bidder hereby waives and disclaims any legal or equitable defense derived from or otherwise arising out of ELL not being a signatory to this Agreement.

Bidder acknowledges and agrees that (i) the execution of this Agreement by an authorized representative of Bidder and the completion of a Bidder Registration Form for each resource that Bidder wishes to register must be delivered to the Bid Event Coordinator via the ELL RFP inbox at [ellrfp@entergy.com](mailto:ellrfp@entergy.com) by the Bidder Registration Deadline, and (ii) a Proposal Submission Fee of Five Thousand Dollars (US\$5,000) per proposal, including one battery option (additional battery options may be included to a proposal at a cost of \$1,000 per battery option) will be due by the Proposal Submission Fee Payment Deadline, and that each of the requirements in clauses (i) and (ii) are requirements for Bidder’s continued participation in the RFP process. Only Bidders registered in accordance with the RFP will be permitted to submit proposals in this RFP, and only resources registered in accordance with the RFP will be eligible for submission.

By no later than three (3) business days after the last day of the Bidder Registration Period, ELL will invoice Bidder for the aggregate amount of the Proposal Submission Fee(s) due and owing to ELL. Bidder will remit to ELL, by wire transfer to the wire address set forth in such invoice, full payment of such invoiced amount by the Proposal Submission Fee Payment Deadline (see Section 4.1 of the Main Body for the schedule in effect at the time the RFP was issued). In the event that Bidder does not pay the proposal submittal fee for a proposal, the proposal(s) will be considered non-conforming and eliminated from further consideration under the RFP.

IN WITNESS WHEREOF, Bidder has executed this Agreement as of \_\_\_\_\_, 2020.
