O&M Contractor shall provide all Consumables required for the performance of the Services. To the extent that Owner desires, at its option, to purchase additional Spare Parts beyond the Spare Parts purchased under the BOT Agreement, O&M Contractor shall supply such Spare Parts to Owner at T&M Costs. The mark-up included in the T&M Costs for any Spare Parts O&M Contractor procures for Owner shall be applied only to the base cost of the procurement and not to any taxes, shipping, handling or other item that the vendor includes on its invoice. O&M Contractor shall provide original invoicing with all reimbursement requests.

(b) All Spare Parts and other materials procured or utilized by O&M Contractor for performance under this Agreement during the term of any applicable Project Hardware Warranties or the BOT Warranty shall be of specification and quality required so as to in no way invalidate such Project Hardware Warranties or BOT Warranty, or any portion thereof. Owner shall respond promptly (and in any event within five (5) Business Days, unless a longer period is mutually agreed to between the Parties or is otherwise required under the terms of any financing agreement with a Project Lender, with notice of such longer period provided to O&M Contractor) to any O&M Contractor proposal for T&M Services delivered by Owner, and either provide O&M Contractor with written authorization to initiate the requested services on the proposed fixed fee or at T&M Cost or inform O&M Contractor that O&M Contractor is not authorized to initiate the requested services. Upon the receipt of written authorization from Owner, O&M Contractor shall promptly perform such T&M Services; *provided* that, if the authorization for such T&M Services is based on an estimate (rather than a firm fixed price), O&M Contractor shall not exceed (or allow its Subcontractors working on such T&M Services to in the aggregate incur cost overruns which result in an exceedance of) the estimated cost for such services as disclosed to Owner by O&M Contractor under the applicable order for T&M Services (or response thereto) without Owner's prior written consent.

4.5 Emergencies.

Notwithstanding Section 4.4(d) and (e), in the event of any Emergency, O&M Contractor shall take such action as may be reasonable and necessary to prevent, avoid or mitigate injury or death to Persons, or damage or loss to the Project or the environment (including any endangered species or other wildlife). Owner and O&M Contractor shall endeavor in good faith to agree on changes to the Staffing Plan as are suggested by either Party. Notwithstanding the foregoing, the Key Personnel shall at all times hold the positions and be dedicated to the performance of the duties described in Exhibit B. Any replacement or substantial reduction or change in responsibility of any of the Key Personnel shall be subject to the prior written consent of Owner, which consent shall not be unreasonably withheld. O&M Contractor shall remain solely responsible for determining working hours, rates of compensation and all other matters relating to the employment of such personnel. At least thirty (30) days prior to the scheduled Project Substantial Completion Date and at least thirty (30) days prior to the anniversary of the Commencement Date each year of the Term thereafter, O&M Contractor shall prepare and submit to Owner a proposed annual operating plan, consistent with the requirements set forth in Exhibit A-1, for the upcoming Operating Period setting forth the underlying assumptions and implementation plans in connection with the Services, including anticipated operations, maintenance, repairs and capital improvements, scheduled outages, procurement, staffing, personnel and labor activities, training plans, program enhancements and administrative activities and any anticipated T&M Services and budget for T&M Costs expected during such Operating Period. Owner shall promptly review O&M Contractor’s proposed annual operating plan and may, by written request, propose changes, additions, deletions, and modifications thereto. If O&M Contractor does not concur with any or all of Owner’s proposed changes, Owner and O&M Contractor will discuss the open issues and shall use good faith efforts to resolve such issues. After such consultations, O&M Contractor shall submit a revised proposed annual operating plan to Owner incorporating any agreed-upon revisions. Owner shall thereafter either (a) approve the revised proposed annual operating plan or (b) return such revised proposed annual operating plan together with proposed changes, additions, deletions, or modifications thereto for O&M Contractor’s approval, which approval shall not be unreasonably withheld. The final document resulting from this process shall be the “Annual Operating Plan.” The Annual Operating Plan shall remain in effect throughout the applicable Operating Period, subject to updating, revision, and amendment as may be

Such operating data shall include operating logs, records, reports, meter and gauge readings, Maintenance Specific Logs, records, electrical output information, and cost information.

It is expressly agreed between the Parties that any Project documents and records prepared by O&M Contractor during the Term solely for the purposes of this Agreement shall be directly prepared for Owner's benefit and shall automatically become Owner's Property. Any such documentation shall be stored by O&M Contractor on behalf of Owner until its final delivery to Owner. At the end of the Term, O&M Contractor shall provide all records related to the Project and the Services to Owner. non-infringing equipment or processes with at least the same expected performance and lifetime of the infringing equipment, or to modify such infringing equipment or processes or the Project so it becomes non-infringing subject to maintaining the same expected performance and lifetime of such equipment, *provided* that Owner may, at its option and without thereby limiting any other right it may have hereunder or at law or in equity, require O&M Contractor to supply, temporarily or permanently, equipment not subject to such injunction and not infringing any Intellectual Property Right or to remove all such equipment and refund the cost thereof to Owner or to take such steps as may be necessary to ensure compliance by Owner with such injunction, all to the satisfaction of Owner and all without cost or expense to Owner.

8.3 Indemnification Procedure.

(a) Subject to the terms of this Agreement and upon receipt of notice of the assertion of a claim or of the commencement of any suit, action, or proceeding that is a third party claim against any Indemnitee for which such Indemnitee is entitled to indemnification under this Agreement (such claim, a “Third Party Claim”), the Indemnitee shall promptly notify O&M Contractor in writing of any loss which the Indemnitee has determined has given or could give rise to a claim under this Agreement. Such written notice is herein referred to as a “Notice of Claim.” A Notice of Claim shall specify, in reasonable detail, the facts known to the Indemnitee regarding the claim. The failure to provide (or timely provide) a Notice of Claim shall not affect the Indemnitee’s rights to indemnification, except to the extent that O&M Contractor’s ability to defend such Third Party Claim has been irreparably prejudiced by such failure of the Indemnitee.

(b) Within twenty (20) days of its receipt of a Notice of Claim (the “Notice Period”), O&M Contractor shall notify the Indemnitee whether or not it will irrevocably indemnify the Indemnitee, at O&M Contractor’s sole cost and expense, against the Third Party Claim(s) set forth in the Indemnity Notice. The failure of O&M Contractor to provide such notice within the Notice Period shall be deemed a refusal to provide the requested indemnity.

(c) If O&M Contractor irrevocably acknowledges its obligation to indemnify the Indemnitee against such Third Party Claim within the Notice Period then, except as hereinafter provided, O&M Contractor shall contest and defend, at its sole cost and expense, with counsel of its choosing that is reasonably acceptable to the Indemnitee, any such Third Party Claim; *provided, however*, that O&M Contractor shall not, without the prior written consent of the Indemnitee, permit a default judgment or consent to the entry of any judgment against the Indemnitee, enter into any settlement or compromise that does not include the giving by the claimant or plaintiff to the Indemnitee of a release from all liability in respect of such Third Party Claim, or enter into any settlement or compromise that (i) contains an admission or acknowledgment of guilt or criminal wrongdoing or a violation of any Applicable Law or Permit by any of the Indemnitees, or (ii) requires any of the Indemnitees to become subject to non-monetary penalties, obligations or restrictions

The statements contained in this RFP are made subject to the Reservation of Rights set forth in Appendix E of this RFP and the terms and acknowledgements set forth in the Proposal Submission Agreement.

as a result thereof. If the Indemnitee desires to participate in the defense or settlement of any Third Party Claim that O&M Contractor is defending under this Section 8.3, it may do so at its sole cost and expense with counsel of its choosing; *provided, however*, that such participation shall be at the sole cost and expense of O&M Contractor if Indemnitee's counsel advises that separate counsel is necessary to protect its interests with respect to a Third Party Claim involving both the Indemnitee and O&M Contractor. The Indemnitee may not, without the prior written consent of O&M Contractor, which shall not be unreasonably withheld, conditioned, or delayed, compromise or settle any Third Party Claim defended by O&M Contractor hereunder so long as O&M Contractor is conducting such defense in good faith.

(d) Notwithstanding anything to the contrary in this Section 8.3, if (i) the assumption of the defense of a Third Party Claim by O&M Contractor would be inappropriate due to a conflict of interest, (ii) such Third Party Claim (or the facts or allegations related to such Third-Party Claim) involves criminal allegations or seeks equitable or injunctive relief, (iii) O&M Contractor does not have the resources to satisfy such Third Party Claim, (iv) such Third Party Claim, if adversely determined, would reasonably be expected to materially adversely affect the business or reputation of the Indemnitee or its Affiliates, or (v) O&M Contractor does not defend the Indemnitee against a Third Party Claim, whether by not giving the Indemnitee the required notice within the Notice Period or otherwise, the Indemnitee, upon further notice to O&M Contractor, shall have the right to undertake and control the defense of such Third Party Claim in such manner as it deems appropriate, including the terms of any compromise or settlement of such Third Party Claim, and O&M Contractor shall be bound by the actions taken and result obtained by the Indemnitee and shall pay the reasonable fees and expenses of counsel incurred by the Indemnitee in conducting the defense of such Third Party Claim.

(e) O&M Contractor and O&M Contractor's counsel and Representatives shall reasonably consult with Owner and Owner's counsel and Representatives throughout the pendency of the Third Party Claim regarding the investigation, defense, settlement, trial, appeal or other resolution of the Third Party Claim. The Parties shall cooperate in the defense of the Third Party Claim. O&M Contractor shall have reasonable access, during normal business hours and following reasonable notice, to employees of Owner who may have knowledge, material, documents or information relevant to the defense of any Third Party Claim. Owner shall make available to O&M Contractor, at reasonable times and for reasonable periods, its employees and other Representatives and such information, books, and records and other materials in Owner's possession or control and reasonably required by O&M Contractor for use in contesting any Third Party Claim (subject to obtaining an agreement to maintain the confidentiality of confidential or proprietary materials in a form reasonably acceptable to both Parties). If and to the extent reasonably requested by O&M Contractor, Owner shall cooperate with O&M Contractor and its counsel in contesting such Third Party Claim or, if appropriate, in making any counterclaim against the Person asserting the Third Party Claim, or any

cross-complaint relating to such Third Party Claim against any other Person. O&M Contractor shall reimburse Owner for any reasonable, documented out-of-pocket expense incurred by Owner in cooperating with or acting at the request of O&M Contractor.

8.4 **Survival.**

Notwithstanding any other provision of this Agreement, the provisions of this ARTICLE 8 are intended to and shall survive termination of this Agreement so as to cover all Claims instituted within the period set forth in the applicable statute of limitations.

ARTICLE 9 TERMINATION

9.1 **Termination by Owner.**

(a) O&M Contractor Events of Default. The following shall constitute events of default on the part of O&M Contractor (each, an “O&M Contractor Event of Default”) under this Agreement:

(i) O&M Contractor fails to make any undisputed payment required hereunder within thirty (30) days after written notice thereof has been given to O&M Contractor;

(ii) any representation or warranty of O&M Contractor in this Agreement proves to have been false or misleading in any material respect when made, and O&M Contractor has not, within thirty (30) days after written notification thereof from Owner, fully remedied all adverse impacts on Owner resulting therefrom; *provided* that such thirty (30) day period may be extended to sixty (60) days; *provided, further,* that O&M Contractor has commenced and is at all times diligently pursuing such remedy;

(iii) O&M Contractor (A) files a petition or otherwise commences, authorizes, or acquiesces in the commencement of a proceeding or cause of action under any bankruptcy, insolvency, reorganization, or similar law, or has any such petition filed or commenced against it, (B) has a petition filed or commenced against it for a proceeding or cause of action under any bankruptcy, insolvency, reorganization, or similar law and such petition is not dismissed within sixty (60) days of its filing, (C) makes an assignment or any general arrangement for the benefit of creditors, (D) otherwise becomes bankrupt or insolvent (however evidenced), (E) has a liquidator, administrator, receiver, trustee, conservator, or similar official appointed with respect to it or any substantial portion of its property or assets, or (F) is generally unable to pay its debts as they fall due;

(iv) O&M Contractor fails to maintain insurance pursuant to ARTICLE 13;

(v) O&M Contractor fails to comply with any material provision of this Agreement not otherwise set forth in this Section 9.1(a) and fails to cure or remedy such failure within thirty (30) days after notice and a written demand is made by Owner to O&M Contractor to cure the same or, if such failure cannot be cured within thirty (30) days, O&M Contractor fails to commence to cure such breach within thirty (30) days after such notice and written demand and thereafter diligently pursue such cure to completion, which cure shall in no event be later than sixty (60) days after such notice;

(vi) O&M Contractor's aggregate annual liability for Performance Liquidated Damages, BESS Availability Liquidated Damages and BESS RT Efficiency Liquidated Damages exceeds the Annual Liquidated Damages Cap; or

(vii) the BOT Agreement is terminated due to a default by Seller.

(b) Owner Remedies upon O&M Contractor Event of Default.

(i) Upon the occurrence and during the continuation of an O&M Contractor Event of Default, in addition to any or all other remedies available at law or at equity, all of which shall be cumulative, Owner may terminate this Agreement upon ten (10) days' written notice to O&M Contractor. If any termination for cause by Owner pursuant to this Section 9.1(b) is ultimately determined to have been wrongful, then such termination shall be deemed a termination for an Owner Event of Default pursuant to Section 9.2(b), and O&M Contractor's sole remedy shall be the receipt of the amounts set forth in Section 9.2(b).

(ii) If Owner terminates this Agreement pursuant to this Section 9.1(b), O&M Contractor shall cooperate with Owner and its agents and representatives in the turnover of the Project to the new operator and, prior to the effective date of termination, O&M Contractor shall provide the new operator reasonable access to the Project to facilitate the orderly transition of responsibilities from O&M Contractor to the new operator. Until the effective date of termination, O&M Contractor shall continue to operate the Project in compliance with the terms of this Agreement, during which time O&M Contractor and the new operator shall prepare for the transition of responsibilities from O&M Contractor to the new operator.

(iii) If Owner terminates this Agreement pursuant to this Section 9.1(b), upon Owner's request, O&M Contractor (A) shall withdraw from

Further, O&M Contractor shall reimburse Owner a proportionate amount of the Fixed Fee that would have covered any period of time post-termination. Notwithstanding the foregoing, O&M Contractor shall not be required to license or otherwise make available to Owner the proprietary software used by O&M Contractor in connection with operating the Project; *provided, however*, that O&M Contractor shall cooperate with Owner to facilitate the transfer of the Project monitoring system to a replacement service provider. O&M Contractor and Owner shall negotiate in good faith terms and conditions for a license for Owner's continued use of such software. O&M Contractor shall remove all materials, equipment, tools, and instruments used by and any debris or waste materials generated by O&M Contractor in the performance of the Services as Owner may direct. O&M Contractor shall execute all documents and take all other reasonable steps requested by Owner that may be required to assign to and vest in Owner all rights, benefits, interests and title in connection with such contracts or obligations.

9.2 Owner Events of Default.

(a) Owner Events of Default. The following shall constitute events of default on the part of Owner (each, an "Owner Event of Default") under this Agreement:

(i) Owner fails to make any undisputed payment required hereunder within thirty (30) days after written notice thereof from O&M Contractor;

(ii) any representation or warranty of Owner in this Agreement proves to have been false or misleading in any material respect when made, and Owner has not, within thirty (30) days after written notification thereof from O&M Contractor, either fully remedied, or commenced and diligently pursued the remedy of, all adverse impacts on O&M Contractor resulting therefrom; *provided* that such thirty (30) day period may be extended to sixty (60) days; *provided, further*, that Owner has commenced and is at all times diligently pursuing such remedy;

The statements contained in this RFP are made subject to the Reservation of Rights set forth in Appendix E of this RFP and the terms and acknowledgements set forth in the Proposal Submission Agreement.

(iii) Owner (A) files a petition or otherwise commences, authorizes, or acquiesces in the commencement of a proceeding or cause of action under any bankruptcy, insolvency, reorganization, or similar law, or has any such petition filed or commenced against it, (B) has a petition filed or commenced against it for a proceeding or cause of action under any bankruptcy, insolvency, reorganization, or similar law and such petition is not dismissed within sixty (60) days of its filing, (C) makes an assignment or any general arrangement for the benefit of creditors, (D) otherwise becomes bankrupt or insolvent (however evidenced), (E) has a liquidator, administrator, receiver, trustee, conservator, or similar official appointed with respect to it or any substantial portion of its property or assets, or (F) is generally unable to pay its debts as they fall due; or

(iv) Owner fails to comply with any material provision of this Agreement not otherwise set forth as an Owner Event of Default in this Section 9.2(a) and fails to cure or remedy such failure within thirty (30) days after notice and a written demand is made by O&M Contractor to Owner to cure the same or, if such failure cannot be cured within thirty (30) days, Owner fails to commence to cure such breach within thirty (30) days after such notice and written demand and thereafter diligently pursue such cure to completion, which cure shall in no event be later than sixty (60) days after such notice.

(b) Upon the occurrence and continuation of an Owner Event of Default, O&M Contractor may suspend its work or terminate this Agreement, and, in the case of termination, Owner shall pay to O&M Contractor (as O&M Contractor's sole and exclusive remedy) an amount equal to the following (collectively, the "Termination Costs"):

(i) Any unpaid portion of the Fixed Fees that is due and payable at the time of termination;

(ii) all T&M Costs for which O&M Contractor has not previously been paid; and

(iii) the actual and reasonable demobilization and other costs directly related to such termination, including O&M Contractor's actual costs to secure, protect and transfer the Project to Owner in accordance with Owner's instructions as a result of such termination.

O&M Contractor's Claim (which shall contain detailed supporting documentation) shall be submitted within thirty (30) days of the effective date of termination under this Section 9.2. O&M Contractor waives any Claims for any other damages due to a termination pursuant to this Section 9.2, and the above amounts shall constitute O&M Contractor's sole remedy for such termination.

The statements contained in this RFP are made subject to the Reservation of Rights set forth in Appendix E of this RFP and the terms and acknowledgements set forth in the Proposal Submission Agreement.

9.3 Force Majeure Termination Event

In the event that O&M Contractor is prevented from performing its obligations hereunder for a continuous period of one hundred eighty (180) days due to one or more Force Majeure Events, either Party may terminate this Agreement upon written notice to the other Party and Owner shall pay to O&M Contractor (as O&M Contractor's sole and exclusive remedy) an amount equal to services performed as of the date of the Force Majeure Event.

9.4 Project Condition at End of Term.

Upon termination or expiration of this Agreement, all Services to be performed as of such termination or expiration date shall have been performed through the date of termination or expiration, and all payments required hereunder shall have been made through such date.

ARTICLE 10 WARRANTY

10.1 Services Warranty.

O&M Contractor warrants to Owner that all of the Services shall be performed in accordance with this Agreement (and the standards of performance set forth herein) and the Project Agreements, by qualified personnel, and all equipment, materials and other items installed in the Project shall be free from defects in design, material and workmanship ("Warranty"). The foregoing Warranty, and the remedy set forth below, applies to any defect that appears within two (2) years from the date the work giving rise to the Claim was performed. Each Party shall notify the other Party promptly after such Party becomes aware of a defect. Any repair, replacement or other work performed pursuant to the Warranty shall be subject to the Warranty for two (2) years from the date of such Warranty work; *provided* that in no event shall the Warranty extend beyond two (2) years after the Term. O&M Contractor shall have no liability to Owner under this Agreement (whether based on warranty or otherwise) (a) for any defect that appears later than two (2) years after the date the work giving rise to the defect was performed or (b) for any damage or defect that occurs solely as a result of any negligent act or omission of Owner or any parties acting under a separate agreement with Owner. In the case of any damage or defect that occurs as a result of any negligent act or omission of Owner and breach of the Warranty by O&M Contractor, O&M Contractor's liability shall be in proportion to its relative responsibility for such damage or defect.

10.2 Guaranteed Performance for the PV Plant.

(a) Performance Reports. For each year during the Term, within thirty (30) days after the anniversary of the Commencement Date, O&M Contractor shall

deliver to Owner a written report containing the Measured Availability for the PV Plant during the prior twelve (12) month period and such information and data requested by Owner reasonably necessary to confirm the results of such determinations.

(b) Performance Liquidated Damages. If the Measured Availability for the PV Plant is equal to or greater than ninety-eight percent (98%) (the “Guaranteed Performance”) for any annual reporting period (or, if shorter, the initial reporting period), then the Guaranteed Performance for the PV Plant shall be deemed satisfied for such period and O&M Contractor shall have no liability to Owner in relation to the Guaranteed Performance for the PV Plant. If the Measured Availability is less than the Guaranteed Performance for any annual reporting period (or, if shorter, the initial reporting period), O&M Contractor shall pay Owner, as liquidated damages and not as a penalty, the amount equal to (i) the Guaranteed Availability minus the Measured Availability, multiplied by (ii) the quotient resulting from dividing (A) the actual production of the Facility (in MWh) by (B) the Measured Availability, multiplied by (iii) the Facility’s production-weighted MISO locational marginal price (LMP) (in \$/MWh) (the “Performance Liquidated Damages”). Performance of the PV Plant shall be determined in accordance with Exhibit G-1. THE PARTIES AGREE THAT (A) IT IS DIFFICULT OR IMPOSSIBLE TO DETERMINE WITH PRECISION THE AMOUNT OF DAMAGES THAT WOULD OR MIGHT BE INCURRED BY OWNER AS A RESULT OF SUCH FAILURE TO ACHIEVE SUCH GUARANTEED PERFORMANCE; (B) OWNER WOULD BE DAMAGED BY ANY FAILURE OF O&M CONTRACTOR TO ACHIEVE SUCH PERFORMANCE GUARANTIES; (C) IT WOULD BE IMPRACTICABLE OR EXTREMELY DIFFICULT TO FIX THE ACTUAL DAMAGES RESULTING THEREFROM; (D) ANY SUMS THAT WOULD BE PAYABLE UNDER THIS SECTION 10.2; (B) ARE IN THE NATURE OF LIQUIDATED DAMAGES, AND NOT A PENALTY, AND ARE FAIR AND REASONABLE; (E) EACH PAYMENT REPRESENTS A REASONABLE ESTIMATE OF FAIR COMPENSATION FOR THE DAMAGES THAT MAY REASONABLY BE ANTICIPATED FROM SUCH FAILURE; AND (F) EACH OF O&M CONTRACTOR AND OWNER HEREBY IRREVOCABLY WAIVES ANY RIGHT TO CLAIM TO ANY COURT OR ARBITRAL TRIBUNAL OR SEEK THE ADJUSTMENT OF ANY SUCH SUMS.

10.3 **Guaranteed BESS Availability.**

(a) Availability Reports. For each year during the Term, within thirty (30) days after the anniversary of the Commencement Date, O&M Contractor shall deliver to Owner a written report containing the BESS Availability during the prior twelve (12) month period and such information and data requested by Owner reasonably necessary to confirm the results of such determinations.

(b) BESS Availability Liquidated Damages. If the BESS Availability is equal to or greater than the Guaranteed BESS Availability for any annual reporting period (or, if shorter, the initial reporting period), then the Guaranteed BESS Availability shall be

The statements contained in this RFP are made subject to the Reservation of Rights set forth in Appendix E of this RFP and the terms and acknowledgements set forth in the Proposal Submission Agreement.

deemed satisfied for such period and O&M Contractor shall have no liability to Owner in relation to the Guaranteed BESS Availability. If the BESS Availability is less than the Guaranteed BESS Availability for any annual reporting period (or, if shorter, the initial reporting period), O&M Contractor shall pay Owner, as liquidated damages and not as a penalty, the amount indicated in Exhibit G-2 (the “BESS Availability Liquidated Damages”). BESS Availability shall be determined in accordance with Exhibit G-2.

10.4 **Guaranteed BESS RT Efficiency.**

(a) BESS RT Efficiency Reports. For each year during the Term, within thirty (30) days after the anniversary of the Commencement Date, O&M Contractor shall deliver to Owner a written report containing the BESS RT Efficiency during the prior twelve (12) month period and such information and data requested by Owner reasonably necessary to confirm the results of such determinations.

(b) BESS RT Efficiency Liquidated Damages. If the Measured BESS RT Efficiency is equal to or greater than the Guaranteed BESS RT Efficiency for any annual reporting period (or, if shorter, the initial reporting period), then the Guaranteed BESS RT Efficiency shall be deemed satisfied for such period and O&M Contractor shall have no liability to Owner in relation to the Guaranteed BESS RT Efficiency. If the Measured BESS RT Efficiency is less than the Guaranteed BESS RT Efficiency for any annual reporting period (or, if shorter, the initial reporting period), O&M Contractor shall pay Owner, as liquidated damages and not as a penalty, the amount indicated in Exhibit G-2 (the “BESS RT Efficiency Liquidated Damages”). BESS RT Efficiency shall be determined in accordance with Exhibit G-2.

10.5 **Nature of Liquidated Damages.** THE PARTIES AGREE THAT (A) IT IS DIFFICULT OR IMPOSSIBLE TO DETERMINE WITH PRECISION THE AMOUNT OF DAMAGES THAT WOULD OR MIGHT BE INCURRED BY OWNER AS A RESULT OF THE FAILURE TO ACHIEVE THE GUARANTEED PERFORMANCE, THE GUARANTEED BESS AVAILABILITY, OR THE GUARANTEED BESS RT EFFICIENCY; (B) OWNER WOULD BE DAMAGED BY ANY FAILURE OF O&M CONTRACTOR TO ACHIEVE THE GUARANTEED PERFORMANCE, THE GUARANTEED BESS AVAILABILITY, OR THE GUARANTEED BESS RT EFFICIENCY; (C) IT WOULD BE IMPRACTICABLE OR EXTREMELY DIFFICULT TO FIX THE ACTUAL DAMAGES RESULTING THEREFROM; (D) ANY SUMS THAT WOULD BE PAYABLE UNDER SECTION 10.2(B), SECTION 10.3(B), AND SECTION 10.4(B) ARE IN THE NATURE OF LIQUIDATED DAMAGES, AND NOT A PENALTY, AND ARE FAIR AND REASONABLE; (E) EACH PAYMENT REPRESENTS A REASONABLE ESTIMATE OF FAIR COMPENSATION FOR THE DAMAGES THAT MAY REASONABLY BE ANTICIPATED FROM SUCH FAILURE; AND (F) EACH OF O&M CONTRACTOR AND OWNER HEREBY IRREVOCABLY WAIVES ANY RIGHT TO CLAIM TO ANY

COURT OR ARBITRAL TRIBUNAL OR SEEK THE ADJUSTMENT OF ANY SUCH SUMS.

10.6 **Liquidated Damages Cap.** O&M Contractor's maximum aggregate annual liability for Performance Liquidated Damages, BESS Availability Liquidated Damages and BESS RT Efficiency Liquidated Damages under Sections 10.2, 10.3, and 10.4 shall not exceed one hundred percent (100%) of the annual Fixed Fee to be paid by Owner to O&M Contractor for the applicable year (the "Annual Liquidated Damages Cap").

10.7 **Exclusive Warranty.**

The Warranty contained in this ARTICLE 10 is exclusive and in lieu of all other warranties, whether written, oral, implied or statutory, but does not affect any separate express warranty provided by any equipment supplier to the Project or Seller under the BOT Agreement. NO IMPLIED WARRANTY OF MERCHANTABILITY OR OF FITNESS FOR A PARTICULAR PURPOSE, COURSE OF DEALING AND USAGE OF TRADE SHALL APPLY. O&M Contractor does not warrant under this Agreement any product, material or services of others which Owner has furnished.

10.8 **Exclusive Remedy.**

Subject to ARTICLE 11,

(a) the exclusive remedy for any Claim based on the failure of, or defect in performance of the Services shall be the replacement of personnel and re-performance of the defective portion of the Services; *provided, however*, that the replacement of personnel and re-performance of the defective portion of the Services shall not be deemed to be a remedy for other breaches by O&M Contractor of its obligations hereunder that may accompany such failure;

(b) the exclusive remedy for any Claim based on a lack of availability of the PV Plant shall be the payment of Performance Liquidated Damages; *provided, however*, that the payment of Performance Liquidated Damages shall not be deemed to be a remedy for other breaches by O&M Contractor of its obligations hereunder that may accompany such lack of availability; and

(c) the exclusive remedy for any Claim based on a lack of availability of the BESS shall be the payment of BESS Availability Liquidated Damages and for any Claim based on the deficiency in the BESS RT Efficiency shall be the payment of the BESS RT Efficiency Liquidated Damages; *provided, however*, that the payment of BESS Availability Liquidated Damages and/or the BESS RT Efficiency Liquidated Damages shall not be deemed to be a remedy for other breaches by O&M Contractor of its obligations hereunder that may accompany such lack of availability or BESS RT Efficiency.

The statements contained in this RFP are made subject to the Reservation of Rights set forth in Appendix E of this RFP and the terms and acknowledgements set forth in the Proposal Submission Agreement.

10.9 Assignment of Warranties.

O&M Contractor shall use commercially reasonable efforts to obtain warranties from all Subcontractors and suppliers at least as favorable to Owner as required from O&M Contractor under this Agreement, shall use commercially reasonable efforts to secure the longest commercially reasonable manufacturers' warranties with respect to any Spare Parts or materials provided to and used by O&M Contractor under this Agreement, and shall where possible assign all such warranties to Owner.

ARTICLE 11 LIMITATIONS OF LIABILITY

11.1 Total Limitation of Liability.

O&M Contractor's total liability under this Agreement to Owner, on all Claims of any kind, whether based on contract, warranty, tort (including negligence), strict liability or otherwise, for all losses or damages arising out of, connected with, or resulting from this Agreement or from the performance or breach thereof, or from any Services performed or furnished by O&M Contractor during the Term, shall in no case exceed the sum of the Fixed Fees paid or payable to O&M Contractor over the entire Term; *provided, however*, that (a) the foregoing limitation shall not apply to acts of gross negligence, willful misconduct or fraud by O&M Contractor or O&M Contractor's indemnification obligations under ARTICLE 8 or O&M Contractor's confidentiality obligations under ARTICLE 17; (b) if O&M Contractor receives insurance proceeds with respect to the relevant loss or damage in excess of the foregoing cap, then the foregoing cap shall be increased by the amount of such excess; and (c) the foregoing limitation shall not apply to the payment of liquidated damages pursuant to Section 10.2, 10.3, or 10.4.

11.2 Waiver of Consequential Damages.

EXCEPT FOR O&M CONTRACTOR'S LIABILITY FOR LIQUIDATED DAMAGES AND FOR THOSE INDEMNIFICATION OBLIGATIONS ARISING FROM THIRD PARTY CLAIMS AND CONFIDENTIALITY OBLIGATIONS, AS SET FORTH HEREIN, NO PARTY SHALL BE LIABLE FOR SPECIAL, PUNITIVE, EXEMPLARY, INCIDENTAL, CONSEQUENTIAL OR INDIRECT DAMAGES, LOST REVENUE OR LOST PROFITS, WHETHER BASED ON CONTRACT, TORT, STRICT LIABILITY, OTHER LAW OR OTHERWISE AND WHETHER OR NOT ARISING FROM THE OTHER PARTY'S SOLE, JOINT OR CONCURRENT NEGLIGENCE, STRICT LIABILITY OR OTHER FAULT.

The statements contained in this RFP are made subject to the Reservation of Rights set forth in Appendix E of this RFP and the terms and acknowledgements set forth in the Proposal Submission Agreement.

(a) such Party gives the other Party written notice describing the particulars of the Force Majeure Event as soon as is reasonably practicable and in any event within seven (7) days after the discovery of the Force Majeure Event and if such Party fails to provide such notice, such Party shall be deemed to have waived any right to claim a Force Majeure Event with respect to such event and shall not be excused from any delay in the performance of, or inability to perform, the Work or any of its other obligations under this Agreement as a result of such Force Majeure Event;

(b) the suspension of performance is of no greater scope and of no longer duration than is reasonably required by the Force Majeure Event;

(c) no obligations of the Party that arose before the occurrence causing the suspension of performance shall be excused as a result of the occurrence;

(d) the Party uses diligent, commercially reasonable efforts to remedy or remove the inability caused by the Force Majeure Event (*provided* that, for a Force Majeure Event, such Party shall be entitled to an adjustment to the times for performance of its obligations hereunder (other than the obligation to make payments required hereunder) and shall resume performance hereunder when and to the extent the inability is remedied or removed);

(e) the Party claiming the Force Majeure Event shall discharge as required herein all of its duties and obligations under this Agreement that are not prevented by such Force Majeure Event; and

The statements contained in this RFP are made subject to the Reservation of Rights set forth in Appendix E of this RFP and the terms and acknowledgements set forth in the Proposal Submission Agreement.

(C) The coverage afforded Additional Insureds shall not be invalidated by any action or inaction of each such Additional Insured and shall insure each such Additional Insured regardless of any breach or violation of any warranty, declaration or condition contained in such insurance by the primary named insured wherever coverage will apply; and

13.3 Additional Requirements.

(a) Prior to commencement of the Services under this Agreement, O&M Contractor shall provide Owner with certificates of insurance evidencing compliance with the foregoing requirements relating to insurance policies to be obtained and maintained by O&M Contractor, accompanied by copies of the required endorsements. Any failure of such certificates to conform to the contractual requirements specified in this ARTICLE 13 shall not result in a waiver by Owner of any rights under this Agreement or O&M Contractor's required insurance and indemnity obligations herein, and such obligations shall continue in full force and effect.

(b) All coverage required hereunder shall be kept in full force and effect during the performance of the Services; *provided, however*, products/completed operations

The statements contained in this RFP are made subject to the Reservation of Rights set forth in Appendix E of this RFP and the terms and acknowledgements set forth in the Proposal Submission Agreement.

coverage shall continue for two (2) years after expiration or termination of this Agreement, and if any policy is written on a claims made basis, (i) the retroactive date may not be advanced beyond the date of this Commencement Date and (ii) coverage shall be maintained in full force and effect for three (3) years after expiration or termination of this Agreement, which coverage may be in the form of tail coverage or extended reporting period coverage if agreed by the Parties.

(c) If O&M Contractor fails to comply with its obligations as specified in this ARTICLE 13, Owner shall have the right, but not the obligation, to procure the required insurance coverage at O&M Contractor's expense without in any way compromising or waiving any right or remedy at law or in equity, and O&M Contractor shall not be relieved of or excused from the obligation to obtain and maintain such insurance amounts and coverages. All such costs incurred by Owner shall be promptly reimbursed by O&M Contractor and/or may be withheld from any payment due O&M Contractor.

(h) None of the requirements contained in this ARTICLE 13 as to types, limits, or Owner's approval of insurance coverage to be maintained by O&M Contractor are intended to, and they shall not in any manner, limit, qualify or quantify the liabilities and obligations assumed by O&M Contractor hereunder, in any other agreement with Owner, or as otherwise provided by Applicable Law.

(i) The Commercial General Liability insurance policy shall contain standard cross-liability provisions.

The statements contained in this RFP are made subject to the Reservation of Rights set forth in Appendix E of this RFP and the terms and acknowledgements set forth in the Proposal Submission Agreement.

(k) Failure of O&M Contractor to provide insurance as herein required, or failure of Owner to require evidence of insurance or to notify O&M Contractor of any breach by O&M Contractor of the requirements of this ARTICLE 13, shall not be deemed to be a waiver by Owner of any of the terms and conditions of this Agreement, nor shall it be deemed to be a waiver of the obligation of O&M Contractor to indemnify, defend, and hold harmless Owner as required herein. The obligation to procure and maintain any insurance required is a separate responsibility of O&M Contractor and independent of the duty to furnish a copy or certificate of such insurance policies.

13.4 **Owner Insurance.**

During the Term, Owner shall obtain and maintain, with insurers of recognized responsibility authorized to do business in the state where the Site is located and assigned an A.M. Best rating of no less than A-/X, All Risk Property Damage/Machinery Breakdown Insurance, in an amount sufficient to cover one hundred percent (100%) of the replacement cost of the Project. This policy shall provide an express waiver of subrogation in favor of O&M Contractor, Subcontractors, Seller and the insurers of all of them. Coverage shall be written on an "All Risk" basis including flood and earthquake coverage, including mechanical and electrical breakdown insurance covering resulting damage with respect to consequence of design, workmanship or material defect (LEG 2/96 or better), the perils of flood, earthquake, named windstorm, strike, sabotage, riot and civil commotion, vandalism and malicious mischief, subject to terms that are consistent with current industry practice insuring all real and personal property of O&M Contractor whether at a fixed (including non-owned location for off-site repair or refurbishment), off-site storage or a warehouse location or while in the course of inland or ocean transit (as the case may be), for an amount of not less than the full replacement cost value of the property and equipment at each location without the presence of coinsurance. The policy shall contain a Notice of Cancellation provision of no less than sixty (60) days and business interruption coverage following all perils.

Sub-limits are permitted with respect to the following perils:

- (a) debris removal, 5% of the limit;
- (b) inland transit in such amounts to satisfy replacement cost values of the shipment;

The statements contained in this RFP are made subject to the Reservation of Rights set forth in Appendix E of this RFP and the terms and acknowledgements set forth in the Proposal Submission Agreement.

(e) such other coverages acceptable to O&M Contractor (in consultation with the insurance consultant) that are customarily sub-limited and/or aggregated in reasonable amounts consistent with current industry practice with respect to similar risks and acceptable to O&M Contractor, including extra expense, expediting expense and ordinance or law coverage including the increased cost of construction to comply with the enforcement of any law that regulates the construction or repair of damaged property including the cost to demolish undamaged portions of the Project.

Such policy shall include (A) an automatic reinstatement of limits following each loss (except for the perils of earthquake, pollution cleanup, flood and named windstorm) and (B) a replacement cost valuation endorsement with no deduction for depreciation and no coinsurance clauses (or a waiver thereof). In the event all risk property and mechanical and electrical breakdown insurance is not written on the same policy, the mechanical and electrical breakdown coverage shall be placed on a “comprehensive” basis including resulting damage with respect to consequence of design, workmanship or material defect on a replacement cost basis with limits not less than the full replacement cost of the insured objects and each all-risk property and mechanical and electrical breakdown policy shall contain a joint loss agreement.

Deductibles applicable to property losses may be adjusted at discretion of Owner, based on the structure of Owner’s corporate property insurance program and capacity available in the commercial insurance marketplace. O&M Contractor shall be responsible for the deductibles but only for events attributable to negligence of or a breach by O&M Contractor of its obligations under this Agreement and with a cap of Two Hundred Fifty Thousand Dollars (\$250,000) per event and Two Hundred Fifty Thousand Dollars (\$250,000) in the aggregate.

Owner shall provide a copy of the cover notes or other evidence of cover in respect of such insurances at the time of the Commencement Date and copies of the insurance policies not later than thirty (30) Days after the Commencement Date.

ARTICLE 14 INTELLECTUAL PROPERTY LICENSE

14.1 IP License.

Any Intellectual Property Rights that O&M Contractor may conceive, make, develop, create, reduce to practice or work on, in whole or in part, in the course of performing the Services, shall be owned and retained by O&M Contractor. O&M Contractor hereby grants to Owner an irrevocable, nonexclusive royalty-free license (which license is freely transferable to any party to which the Project is sold, collaterally assigned, or otherwise transferred) to use all such Intellectual Property Rights, other proprietary rights and specialized knowledge of O&M Contractor which, in each case, are used in connection with the Services for Owner’s use to the extent reasonably necessary for the operation, maintenance, repair, or alteration of the Project or components thereof.

The statements contained in this RFP are made subject to the Reservation of Rights set forth in Appendix E of this RFP and the terms and acknowledgements set forth in the Proposal Submission Agreement.

To the extent necessary, O&M Contractor shall, prior to such Subcontractor performing any Services in connection with the Project, obtain a valid written license of any such Subcontractor's Intellectual Property Rights, specialized knowledge or other proprietary property from such Subcontractor in terms substantially similar to those that obligate O&M Contractor to Owner as expressed in this Section 14.1. Without diminishing the rights granted in this Section 14.1, O&M Contractor also acknowledges and agrees that it shall not be a breach of the license granted in this Section 14.1 for any Affiliate of Owner to utilize as reference material any such Intellectual Property Rights, proprietary right or specialized knowledge to the extent reasonably necessary or appropriate in connection with the ownership, use, operation, maintenance, repair, or alteration of the Project or components thereof. Except as specifically stated herein, no other license in such patents and proprietary information is granted pursuant to this Agreement.

14.2 Contractor Deliverables and Intellectual Property.

All documents, reports and other deliverables accumulated or developed by O&M Contractor, its employees or any Subcontractors in the performance of the Services ("Contractor Deliverables") shall become the property of Owner without any further consideration to be provided therefor, when prepared or in process, whether or not delivered by O&M Contractor; *provided* that all Intellectual Property Rights previously owned or created by O&M Contractor or any Subcontractor (but not transferred to Owner under the BOT Agreement) in connection with the Services shall continue to be owned by O&M Contractor or such Subcontractor, as applicable, and O&M Contractor hereby grants to Owner a perpetual, nontransferable, non-exclusive, irrevocable, royalty-free right and license to use all such Intellectual Property Rights of O&M Contractor and, to the extent practicable, Subcontractor, in connection with the operation, maintenance or repair of the Project or any subsystem or component thereof. O&M Contractor shall procure title to any Contractor Deliverables from each Subcontractor pursuant to its subcontract with such Subcontractors, for the purposes of passing title to Owner under this Section 14.2. For the avoidance of doubt, O&M Contractor or Subcontractors, as applicable, will maintain ownership of all Intellectual Property Rights contained within the Contractor Deliverables. O&M Contractor shall deliver the Contractor Deliverables to Owner upon its request upon any termination of this Agreement, or completion of the Services.

14.3 Software Licenses.

To the extent O&M Contractor purchases any software which software is necessary for the continued operation of the Project, O&M Contractor shall register Owner as a licensee of such software.

The statements contained in this RFP are made subject to the Reservation of Rights set forth in Appendix E of this RFP and the terms and acknowledgements set forth in the Proposal Submission Agreement.

Upon any such assignment, Owner shall be released from any and all obligations and liabilities hereunder relating to the period from and after the date of assignment (and any other obligations and liabilities assumed by the assignee), and O&M Contractor shall be deemed to have waived any right of recourse against Owner with respect to such obligations and liabilities.

16.3 O&M Contractor's Assignment Rights.

(a) Notwithstanding Section 16.1, and subject to Section 16.3(b), O&M Contractor may, with prior notice to, but without the prior written consent of Owner, assign all of its rights and obligations under this Agreement (in whole but not in part) (i) any Affiliate of O&M Contractor, or (ii) any Person succeeding to all or substantially all of the assets of O&M Contractor, *provided* that the assignee (A) is a Person that (1) has (or is an Affiliate of a Person that has) at least three (3) years' experience engineering, procuring, constructing, operating and maintaining large-scale solar photovoltaic electric generation facilities in the Gulf Coast region of the United States aggregating to at least 250 MW, (2) has (or has a guaranty of its obligations under this Agreement from a Person having) a tangible net worth of at least \$[●], and (3) is not, and during the period commencing four (4) years prior to the date of an assignment of this Agreement to such Person has not been, involved in action that is adverse to Entergy Corporation or any of its Affiliates that involves or involved, as the case may be, (I) the potential imposition of criminal liability on Entergy Corporation or any of its Affiliates (or its or their respective representatives), (II) the potential imposition on Entergy Corporation or any of its Affiliates of new or additional adverse regulation, (III) claims against Entergy Corporation or any of its Affiliates (or its or their respective representatives) for or of slander, libel, defamation, damage to reputation, or other similar legal claims, or (IV) an amount in controversy exceeding One Million Dollars (\$1,000,000), and (B) has a creditworthiness equal to or higher than that of O&M Contractor as of immediately prior to the assignment.

It is duly qualified to do business and is in good standing in the State of its formation and each other jurisdiction in which the properties owned, leased, or operated by it or the nature of the business conducted by it makes such qualification necessary, except as would not, individually or in the aggregate, reasonably be expected to have a material adverse effect on its ability to perform its obligations hereunder.

(ii) It has all requisite power and authority to execute and deliver, and to perform its obligations under, this Agreement. The execution and delivery by it of this Agreement and the performance of its obligations hereunder have been duly and validly authorized by all necessary [limited liability company] action required and no other [limited liability company] acts, approvals, or proceedings on its part or on the part of the holders of any of its equity or debt securities or any other Person are necessary to authorize the same. Assuming the due authorization, execution, and delivery by the other Party of this Agreement, this Agreement constitutes the valid and legally binding obligations of the representing Party, enforceable against the representing Party in accordance with

the terms hereof, except as such enforceability may be limited by bankruptcy, insolvency, reorganization, moratorium or other similar Applicable Laws of general application relating to or affecting the enforcement of creditors' rights and by general equitable principles.

(iii) None of the execution and delivery by the representing Party of this Agreement or the representing Party's compliance with any provision hereof or thereof will: (A) violate, conflict with, or result in a breach of any of the provisions of its organizational document, (B) result in a violation or breach, conflict in terms or rights, constitute (with due notice or lapse of time or both) a default, or give rise to any right of termination, cancellation, acceleration, or guaranteed payment, in each case under the terms, conditions, or provisions of any contract or instrument to which the representing Party is a party or by which the representing Party is bound, or (C) violate, conflict with, or result in a breach in any material respect of any Applicable Law or Permit applicable to the representing Party or any of its assets.

(iv) No authorization, approval, exemption, or consent of or by any Person is required by it in connection with the execution, delivery, and performance of this Agreement.

(b) Additional Representations and Warranties of O&M Contractor.
O&M Contractor hereby represents and warrants to Owner that:

(i) O&M Contractor has (either directly or through its Subcontractors) all the required authority, ability, skill, experience and capacity necessary to perform the Services and diligently do so in a timely and professional manner, utilizing sound engineering and design principles, project management procedures, construction procedures and supervisory procedures, all in accordance with Applicable Laws, Permits, Prudent Industry Practice and Energy Storage Industry Standards.

(ii) The Permits required to be obtained by O&M Contractor (or a Subcontractor) either have been obtained by O&M Contractor (or a Subcontractor) and are in full force and effect on the date hereof or will be obtained by O&M Contractor (or a Subcontractor) and will be in full force and effect on or prior to the date on which they are required, under Applicable Law, to be in full force and effect, so as to permit O&M Contractor to perform the Services hereunder.

17.3 Waiver of Compliance.

To the extent permitted by Applicable Law, any failure to comply with any obligation, covenant, agreement, or condition set forth herein, or any breach of any representation or warranty set forth herein, may be waived by the Party entitled to the benefit of such obligation, covenant, agreement, condition, representation, or warranty only by a written instrument signed by such Party that expressly waives such failure or breach, but any such waiver shall not operate as a waiver of, or estoppel with respect to, any prior or subsequent failure to comply therewith or breach thereof. The waiver of any condition based on the accuracy of any representation or warranty, or on the performance of or compliance with any covenant or obligation, or the waiver of the fulfillment of any such condition, shall not affect the right to indemnification or other remedy based on such representation, warranty, covenant, or obligation. The failure of a Party to this Agreement to assert any of its rights under this Agreement or otherwise shall not constitute a waiver of such rights. A waiver by a Party of the performance of any obligation, covenant, condition, representation, or warranty of any other Party shall not invalidate this Agreement, nor shall such waiver be construed as a waiver of any other obligation, covenant, condition, representation, or warranty. A waiver by a Party of the time for performing any act shall not constitute a waiver of the time for performing any other act or the time for performing an identical act required to be performed at a later time.

17.4 Dispute Resolution.

In the effort to resolve the Dispute, the Parties shall then cause the two designated senior executives or their respective designees to meet at least once and negotiate in good faith until the end of thirty (30) days after receipt of the notice of referral of the Dispute to senior executives from Owner to O&M Contractor or vice versa. Following (and only following) the conclusion of such thirty (30)-day period (whether or not such good faith negotiations have occurred), and

(a) All information provided or obtained by O&M Contractor, directly or indirectly, from or on behalf of Owner, or by Owner, directly or indirectly, from or on behalf of O&M Contractor, in each case, under this Agreement shall be subject to the Post-Closing Confidentiality Agreement (as defined in the BOT Agreement).

(b) Notwithstanding any other provisions of this Section 17.5, O&M Contractor shall have the right to access the Project and the data acquisition system in order to collect data for its own uses, *provided, however*, that O&M Contractor shall keep such information confidential pursuant to the Post-Closing Confidentiality Agreement and shall not use such information in any manner that is, or could be, detrimental to the Project or Owner.

Any action or proceeding arising under this Agreement shall be adjudicated by the United States District Court for the Middle District of Louisiana located in the Parish of East Baton Rouge, or, if such court does not have jurisdiction over such Action, in the state courts of the State of Louisiana located in the Parish of East Baton Rouge, and, in each case, the appellate courts thereof; *provided, however*, that notwithstanding the foregoing, nothing in this Agreement shall preclude either Party from bringing any action or dispute in any other jurisdiction if (i) the aforementioned courts lack jurisdiction over the Parties or the subject matter of the action or dispute or decline to accept the action or dispute on the grounds of lacking such jurisdiction; (ii) the action or dispute is commenced by a Party for the purpose of enforcing against the other Party or its property, assets or estate any decision or judgment rendered by any court in which an action or dispute may be brought as provided hereunder; (iii) the action or dispute commenced to appeal any such court's decision or judgment to any higher court with competent appellate jurisdiction over that court's decisions or judgments; or (iv) any action or dispute has been commenced in another jurisdiction by or against the other Party or against its property, assets or estate (including any bankruptcy suit, action or proceeding), and, in order to exercise or protect its rights, interests or remedies under this Agreement, the Party (A) joins, files a claim, or takes any other action, in any such action or dispute, or (B) otherwise commences any action or dispute in that other

EXCEPT TO THE EXTENT PROVIDED IN THE IMMEDIATELY PRECEDING PROVISIO, EACH PARTY CONSENTS AND AGREES THAT ANY SUCH ACTION OR PROCEEDING MAY BE BROUGHT IN AND ONLY IN SUCH COURTS AND WAIVES (TO THE MAXIMUM EXTENT PERMITTED BY LAW) ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE VENUE OF ANY SUCH ACTION OR PROCEEDING IN ANY SUCH COURT OR THAT SUCH ACTION OR PROCEEDING WAS BROUGHT IN AN INCONVENIENT FORUM OR ANY SIMILAR OBJECTION AND AGREES NOT TO PLEAD OR CLAIM THE SAME.

17.7 Waiver of Jury Trial.

EACH OF THE PARTIES EXPRESSLY WAIVES ANY RIGHT TO TRIAL BY JURY IN ANY LITIGATION OR OTHER ACTION ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT.

17.8 Time of Performance.

Time is of the essence in the performance of each provision of this Agreement.

17.9 Mutual Drafting.

Each provision hereof has been subject to the mutual consultation, negotiation, and agreement of the Parties and there is to be no construction against any Party based on any presumption of that Party's involvement in the drafting thereof.

17.10 Headings.
