**Notice of Release of Draft RFP Documents and Bidders Conference
2021 Entergy Louisiana, LLC Solar RFP**

Entergy Louisiana, LLC (ELL) has posted draft documents for the 2021 Request for Proposals for Solar Photovoltaic Resources for Entergy Louisiana, LLC (2021 ELL Solar RFP) on the website for the 2021 ELL Solar RFP,
<https://spofossil.entergy.com/ENTRFP/SEND/2021ELLSolarRFP/Index.htm>.

Potential bidders and other stakeholders will have the opportunity to comment on the draft documents. Under the current schedule for the 2021 ELL Solar RFP, comments are due by 5:00 p.m. CPT on April 7, 2021. All comments should be submitted by email to the Bid Event Coordinator at ellrfp@entergy.com.

The Louisiana Public Service Commission (“LPSC”) Staff has announced its intention to host a Technical Conference on the 2021 ELL Solar RFP on March 24, 2021. ESL intends to hold a Bidders Conference immediately following the Technical Conference. Both conferences will be held via teleconference/webcast and open to all interested participants or stakeholders in the 2021 ELL Solar RFP. Bidders or other parties that plan to participate in the Technical Conference and/or the Bidders Conference must notify ESL by no later than March 23, 2021. Participation notices should be sent to the Bid Event Coordinator to the email address referenced above and should include the name of the prospective participant and the name, title, email address, and telephone number of each individual representing the participant. Please see Main Body section 4.1.3. for additional details around the Bidders Conference.

Please monitor the 2021 ELL Solar RFP website for further information about the 2021 ELL Solar RFP.
