RFP and Bidders Conference Updates

RFP Update

Entergy Services, LLC (“ESL”), on behalf of Entergy Texas, Inc. (“ETI”), hereby notifies interested parties of the following update for the 2021 ETI Solar RFP (“RFP”). The RFP is expected to be issued on July 15, 2021.

Bidders Conference Update

The Bidders Conference is expected to be rescheduled to July 28, 2021. ESL encourages bidders to submit RFP-related questions they desire to have addressed at the Bidders Conference in writing to the Bid Event Coordinator via the RFP inbox (etirfp@entergy.com) and the Independent Monitor via email (MerrimackIM@merrimackenergy.com) in advance of the Bidders Conference. In order to allow ESL and ETI adequate time to prepare their responses for presentation at the Bidders Conference, we ask that questions be submitted no later than July 21, 2021. Questions submitted after July 21, 2021, may not be addressed during the Bidders Conference. However, written responses to questions not addressed during the conference will be provided and, subject to limited exceptions, posted on the RFP website’s “QA” section, along with those addressed during the conference.

Logistical information concerning the Bidders Conference is provided below:

Date: July 28, 2021

Time: 10:00 a.m. – 11:30 a.m. CPT

Dial-in/Webex Meeting Information: *Will be provided upon bidder registration.*

Bidders are strongly encouraged (but not required) to participate in the Bidders Conference. After the conference, ESL will post the written materials presented during the Bidders Conference to the RFP website (<https://spofossil.entergy.com/ENTRFP/SEND/2021ETIRenewablesRFP/Index.htm>). The posted materials may not duplicate all of the information made available at the Bidders Conference. In addition, ESL will provide written responses to all questions submitted before, during and after the Bidders Conference and will post the questions and answers on the RFP website under the QA tab.

ESL requests that participating organizations register for the Bidders Conference with the Bid Event Coordinator, by electronic mail, no later than July 26, 2021, via the RFP inbox (etirfp@entergy.com). The registration notice should specify the name of the participating organization, as well as the name, title, and contact telephone number(s) of each individual representing the participating organization during the Bidders Conference. Once the Bid Event Coordinator receives a registration notice for a conference participant, the Bid Event Coordinator will provide the dial-in/Webex meeting details to the registered participant(s). For those potential bidders who have already registered for the previously rescheduled Bidders Conference, no additional registration is required.

Please monitor the RFP website for further information. Thank you for your interest in the RFP.
