**Notice of Final Results of Entergy Texas, Inc.'s 2021 Request for Proposals for Solar Resources**

Please be advised that Entergy Texas, Inc. (ETI), has concluded evaluations of the 2021 ETI Solar RFP (RFP), which solicited up to 400 MW of solar photovoltaic resources.

ETI has selected several resources from this RFP totaling at least 400 MW of capacity, with a balance of Purchase Power Agreements and Build Own Transfer proposals.

ETI will provide additional information about the selected resources once the parties reach definitive agreements based on the terms of the proposals.

Entergy Services, LLC, on behalf of ETI, has notified each Bidder whose proposal(s) were evaluated in the RFP of the status of its proposal(s).
