**2022 EML Renewables RFP
Notice of Release of RFP Documents, Bidder Conference, and Bidder Registration**

Entergy Mississippi, LLC (“EML”), has issued documents for the 2022 Request for Proposals for Renewable Resources for Entergy Mississippi, LLC (“2022 EML Renewable RFP”). The documents are available on the 2022 EML Renewable RFP website, <https://spofossil.entergy.com/ENTRFP/SEND/2022EMLSolarRFP/Index.htm>

Bidder Conference:

The Bidder Conference is scheduled for February 8, 2022, from 9 – 11am CPT. Bidders are strongly encouraged (but not required) to participate in the Bidders Conference. ESL requests that participating organizations register for the Bidders Conference no later than February 7, 2022, via the RFP inbox (EMLRenewablesRFP@entergy.com). The registration notice should specify the name of the participating organization, as well as the name, title, email address, and contact telephone number(s) of each individual representing the participating organization. Once a registration notice for a conference participant is received, the Bid Event Coordinator will provide the dial-in/Webex meeting details to the registered participant(s). After the conference, ESL will post the written materials presented during the Bidders Conference to the RFP website (<https://spofossil.entergy.com/ENTRFP/SEND/2022EMLSolarRFP/Index.htm>).

EML encourages bidders to submit RFP related questions they desire to have addressed at the Bidders Conference in writing to the Bid Event Coordinator via the RFP inbox (EMLRenewablesRFP@entergy.com) and the Independent Monitor via email (MerrimackIM@merrimackenergy.com) in advance of the Bidders Conference.

To allow ESL and EML adequate time to prepare their responses for presentation at the Bidders Conference, we ask that questions be submitted no later than February 3, 2022. Questions submitted after February 3, 2022, may not be addressed during the Bidders Conference. However, written responses to questions not addressed during the conference will be provided and, subject to limited exceptions, posted on the RFP website’s “QA” section, along with those addressed during the conference.

Bidder Registration:

To be eligible to submit a proposal, Bidder must complete the Bidder Registration Process during the Bidder Registration Period. To register for the 2022 EML Renewables RFP, Bidders must submit a completed Bidder Registration Form and Agreement via email to the Bid Event Coordinator (EMLRenewablesRFP@entergy.com), copying the Independent Monitor for the RFP (“IM”) (MerrimackIM@merrimackenergy.com), by the Bidder Registration Deadline. Bidder Registration is scheduled to begin at 8:00 a.m. CPT on February 28, 2022, and to be available until 5:00 p.m. CPT on March 3, 2022. Questions can be submitted to the Bid Event Coordinator, copying the IM, at their respective email addresses referenced above, throughout the Bidder Registration Period. Please review Section 6.2 of the Main Body of the 2022 EML Renewables RFP before submitting any questions.

Terms used but not defined in this notice have the meaning ascribed to them in the 2022 EML Renewables RFP.

Please monitor the 2022 EML Renewables RFP website for further information about the 2022 EML Renewables RFP. Thank you for your interest in the 2022 EML Renewables RFP.
