Notice of Final Results of the Entergy Mississippi, LLC's 2022 Request for Proposals for Renewable Resources

Please be advised that Entergy Mississippi, LLC (EML), has concluded evaluations of the 2022 EML Renewable RFP (RFP), which solicited 500 MW of renewable resources.

EML has selected several resources from this RFP which should allow procurement of at least 500 MW. EML will provide additional information about the selected resources once the parties reach definitive agreements based on the terms of the proposals.

Entergy Services, LLC (ESL), on behalf of EML, has notified each Bidder whose proposal(s) were evaluated in the RFP of the status of its proposal(s).
