January 2009 Western Region RFP – Proposal Submission Fees

▪ **Proposal Submission Fees**

- Within two (2) Business Days of receiving the executed Bidder Registration Process Signature Page, ESI will invoice Bidder, by Proposal Identification Number, the Proposal Submittal Fee that is due for each registered proposal.
 - A Bidder may submit one or more proposals, which may be alternatives to each other, but each alternative proposal will be considered a separate proposal and will require the payment by Bidder of an additional Proposal Submittal Fee
- Bidders will be invoiced a \$5,000.00 Proposal Submittal Fee for each registered proposal
- ***ESI must receive the Proposal Submittal Fee for each registered proposal no later than 5:00 p.m. CPT on April 9, 2009***
 - The RFP Administrator will confirm with Bidder once payment is received
- Failure to submit the Proposal Submittal Fee(s) by this deadline will cause the registered proposal(s) to be rejected as non-conforming and Bidder shall not be permitted to complete the Proposal Submission Process for such registered proposal(s)

January 2009 Western Region RFP – Phase II: Proposal Submission Process

- **The RFP Web Portal will be available for proposal submission between 8:00 a.m. CPT, April 13, 2009 through 5:00 p.m. CPT, April 16, 2009**
- **Only those registered proposals for which the proposal submission fee was paid by April 9, 2009 will be available via the RFP Web Portal for purposes of proposal submission**
- **If Bidder elected to use the electronic Signature ID process, each proposal submission will contain the Proposal Submission Agreement that requires the Bidder enter their unique Signature ID in lieu of a “wet ink” signature in order to complete the submission for a respective proposal**
- **If Bidder elected not to use the electronic Signature ID process, Bidder will be provided a link to download the Proposal Submission Agreement on the ESI RFP Website and must sign and date the signature page and fax or email a .pdf to the RFP Administrator for each proposal submitted prior to 5:00 p.m. CPT April 16, 2009**
- **In addition to the information provided via the RFP Web Portal, Bidders will also be required to submit a response to Appendix H or I (as applicable) to the RFP Administrator by 5:00 p.m. April 16, 2009.**
- **Bidders are encouraged to submit their proposals well in advance of the deadline to provide adequate time to correct any errors that may be identified in the electronic review process**

January 2009 Western Region RFP – Proposal Submission Confirmation

- After submitting a proposal via the RFP Web Portal, Bidder will receive a summary of the proposal in an email. Bidders are asked to carefully review the information and return to the RFP Web Portal to correct any inaccurate proposal submission information.
 - Bidders are also required to submit a response to Appendix H or I (as applicable) outside of the RFP Web Portal. The response is due by April 16, 2009 to the RFP Administrator.

The following summarizes the most recent proposal submission information provided via the RFP Web Portal by **B41** for proposal **P8356** via the RFP Web Portal. Please review for accuracy and if necessary log back in to the RFP Web Portal to make any necessary changes.
