

Thank you for your interest in the 2010 Renewable Generation Resource RFP. Entergy Services, Inc. (ESI) has posted Draft Term Sheets, Diligence questions and Threshold Requirements for its 2010 Request for Proposals (RFP) for Long-Term Renewable Generation Resources ("2010 Renewable RFP"). The documents may be accessed on the ESI RFP [Website](#).

All questions regarding these documents, whether they arise before, during or after the August 18th Bidders Conference, must be submitted in writing to the RFP Administrator. In order to provide all interested parties with access to information elicited through the submission of questions, ESI intends to provide written responses to all written questions, and to post the questions and answers on the RFP Website. While ESI personnel may orally address written questions submitted during the Bidder's Conference, the written response may contain information that is different from or in addition to the information that was provided orally, and in such cases the written response shall supersede the oral response. Written questions submitted electronically after August 12th will not be specifically answered at the conference, and a response will only be provided in writing through the RFP Website.

In addition, all correspondence related to the 2010 Renewable RFP should be directed to esirenewable@entergy.com

Thank you for your interest in ESI's 2010 Renewable RFP.
